

# GENERAL PRACTICE CLINICAL PHARMACY ACADEMY

## VIRTUAL EVENT

Starting Wednesday 7th October 2020 | 12.30-2 pm

Six lunchtime sessions held every other Wednesday starting 7th October 2020

- ◆ Form a local peer support network
- ◆ Develop your role as a pharmacist in general practice

### Topics to include:

- How to undertake medicines reconciliation safely
- Identifying opportunities for proactive patient follow-up to enhance patient safety
- How to use auto consultations and READ codes
- Effective use of remote consultations
- Difference between proactive & reactive approaches to high-risk drugs
- Understanding CQC requirements related to medication monitoring

As the local peer support network will develop and be nurtured as the course progresses, we do encourage you to attend all six sessions if possible.

Dates are as follows:

Wednesday 7th October

Wednesday 21st October

Wednesday 4th November

Wednesday 18th November

Wednesday 2nd December

Wednesday 16th December
